## Presentación.

Cispro S.A. les presenta un análisis del grupo D del mundial Brasil 2014.

En este estudio puedes apreciar para cada equipo:

1. En cuales minutos anota y recibe los goles.
2. Cuantos partidos gana, empata o pierde.
3. Los principales goleadores.
4. Como termina el partido si anota primero o segundo.
5. Fortalezas y debilidades según el rival del grupo.

Dicha información e imagenes para elaborar este trabajo se toma de la página de internet de la FIFA y google para cada una de las selecciones de este grupo. El mismo es gratuito por lo que no debe entregar dinero a cambio de obtenerlo.

El nivel de liga local fue tomado de nuestro anterior estudio "Secreto de Campeón que también puede ser descargado de nuestra página al igual que este documento.

Cualquier consulta estamos para servirles.
